Dear Prospective Sponsor,

The Los Angeles Younger Member Forum (LA YMF) of the American Society of Civil Engineers (ASCE) works to inspire students of all ages to become the future leaders of Los Angeles by exposing them to the many opportunities within the Civil Engineering field. This year-round goal of supporting college student organizations culminates with the **Student Night & Job Fair**, which will be held on **February 8th, 2019** at The LINE Hotel in Los Angeles.

Student Night & Job Fair (SNJF) celebrates the accomplishments of future engineers by acknowledging superior student leaders and the efforts of ASCE Collegiate Chapters, and bringing them together with the best civil engineering firms in the Los Angeles area. This award-winning event hosts private and public sector professional engineering companies and over 200 of the brightest and most ambitious civil engineering students across **eleven local universities** including:

- California Baptist University
- Cal Poly Pomona
- Cal Poly San Luis Obispo
- Cal State University, Fullerton
- Cal State University, Long Beach
- Cal State University, Los Angeles
- Cal State University, Northridge
- Loyola Marymount University
- University of California, Irvine
- University of California, Los Angeles
- University of Southern California

At LA YMF's SNJF, you will have the opportunity to interact with these students, with unparalleled access to these prospective employees. This increased visibility will not only highlight the skills of these students, through their projects and leadership, but will promote your company as their ideal future employer.

Sponsorship for this event will support our mission to promote Engineering and Leadership to students of all ages. LA YMF is a 501(c)(3) nonprofit organization that aims to assist civil engineering students and young professionals prepare for the workplace. As one of our prestigious sponsors, you can help promote civil engineering for generations to come. Please refer to the attached Sponsorship Registration Form for more information on sponsorship benefits.

Thank you for your time and consideration, we look forward to working with you soon!

Sincerely,

Paul Lee, PE, LEED AP BD+C
